Framed Shirts

One of our showcase products is the framed shirt, an innovative solution to displaying rare and treasured garments

There are six options of framing available: Essential, Standard, Premium, Luxury, Dual Mounted and Bespoke options.

Shirts are stretched and then mounted within frames, adding value to them. We can easily incorporate a photographic background of your or our design to compliment and enhance the shirt being displayed. Why not add a customised metal plaque for a truly bespoke product?

Discover our 'Drop Ship' Solution....

**Your products, Your profits,
Our storage, Our problem.**

We recognise that for most clubs, retail space is at a premium. Buyers will often tell us they love our products but just don't have the space to display them. With our 'Drop Ship' services this is no longer an issue. Using the latest technology, we will integrate with your club website and seamlessly navigate your orders through our manufacturing plant. Your orders will be dispatched promptly to anywhere in the world with your branded delivery note and e-mail confirmation to your customer.

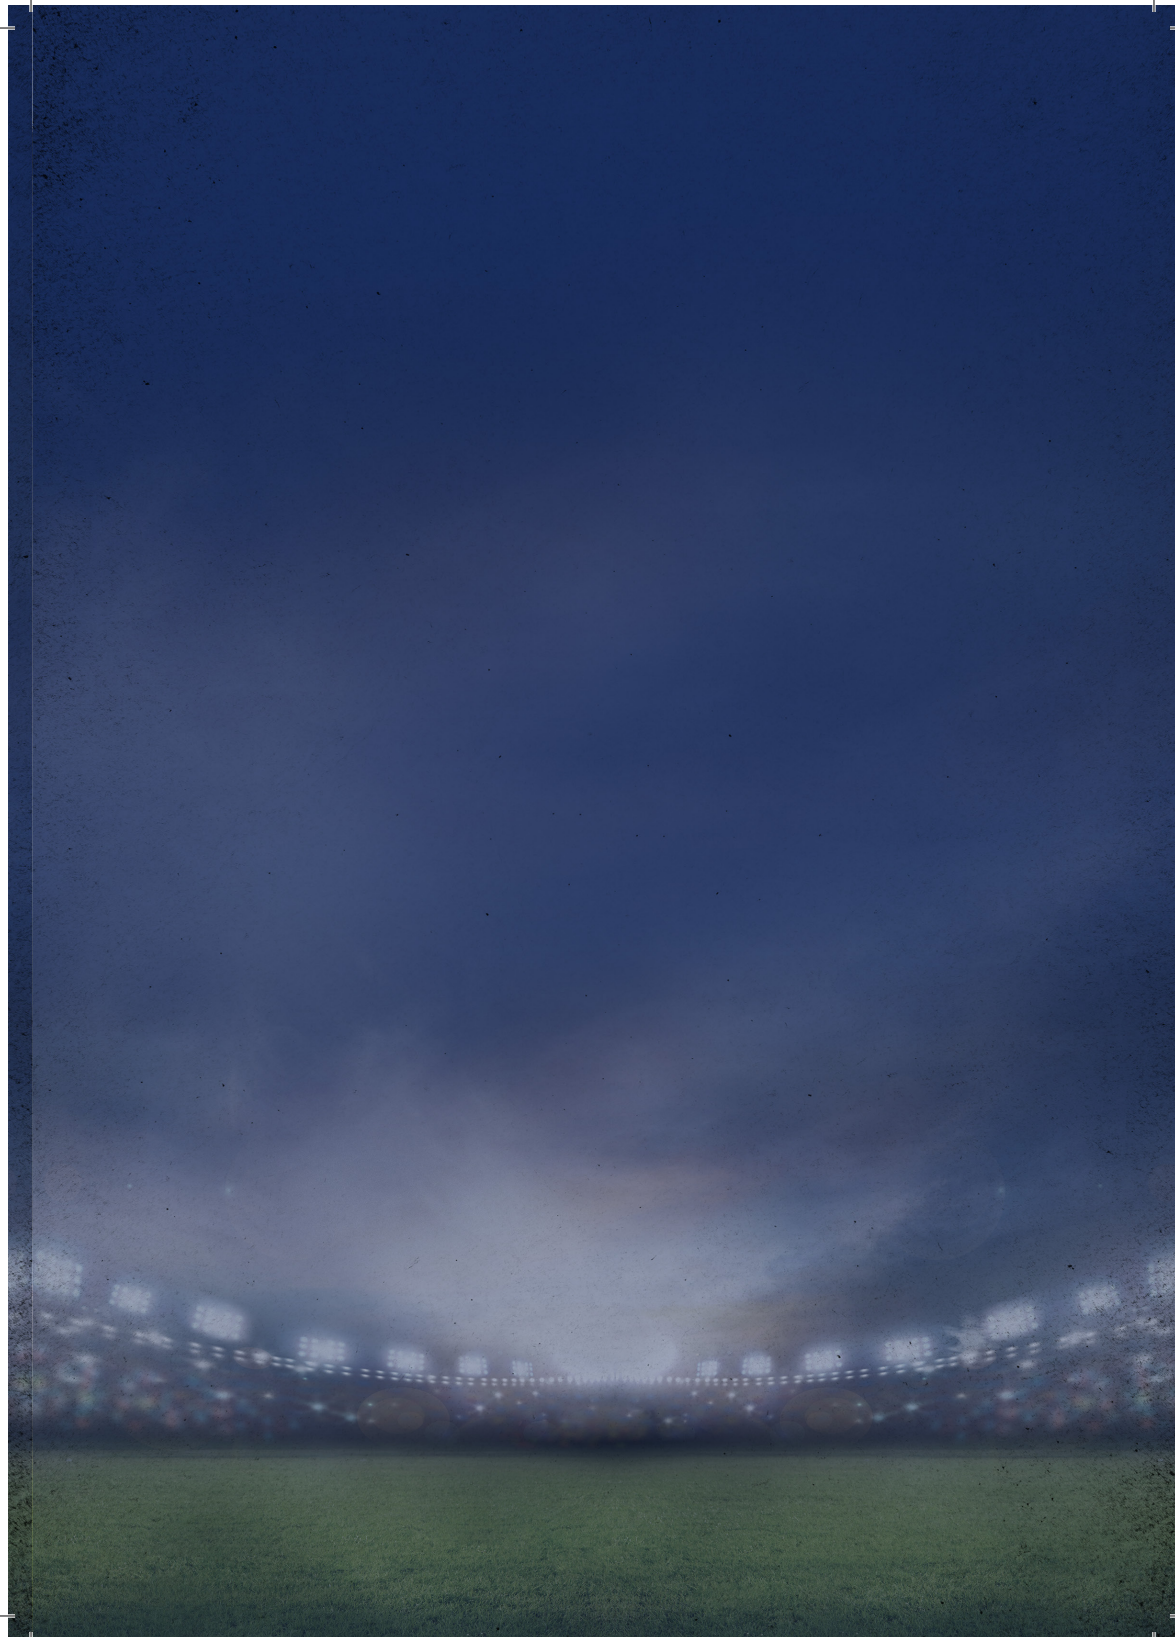

The choice of product range can therefore be endless. You can include new players, legends, stadium images, historic events and enjoy price points and products to suit every taste and budget.

The club even takes the monies up front and we invoice you at the end of each month. There is zero risk of overstocking, zero risk of storage issues, zero set up costs, quite simply it's

No space, No issue!
